

As a newly eligible employee, you are able to participate in the Prudential Voluntary Benefits Program, which provides additional financial protection for you and your family. This program is offered to employees by Prudential.

During your new hire enrollment period, you have the opportunity to enroll in the following benefits on a **guaranteed issue basis**. That means **no medical exam or qualifying health questions** are required.

**Prudential's Supplemental Health Bundle Plan: This plan includes all 3 plans at 1 affordable cost to you!**

- ❖ **Accident Plan** - The **Prudential Accident** plan is designed to help you meet those out-of-pocket expenses and extra bills that can follow even ordinary accidents. Accident coverage provides cash benefits for out-of-pocket expenses associated with an accidental injury and can help protect hard-earned savings should an accidental injury occur. Employee, spouse and child coverage is available.
  
- ❖ **Critical Illness w/Cancer Plan** - The **Prudential Critical Illness w/Cancer** plan pays a lump sum benefit up to 100% of the face amount if you or a covered family member is diagnosed with a covered critical illness including cancer, heart attack, sudden cardiac arrest, stroke, major organ transplant, end-stage renal failure, coronary artery bypass surgery, etc. The benefit can be used any way you choose, and you do not have to be disabled or terminally ill to receive benefits. There are no pre-existing condition limitations to this plan, but diagnoses do need to be after the coverage effective date. **There is a \$50 annual wellness benefit automatically included in this plan as well.** Employee, spouse and child coverage is available.
  
- ❖ **Hospital Indemnity Plan** - The **Prudential Hospital Indemnity** plan pays you a lump sum benefit when you are hospitalized for a covered injury or illness (pregnancy included). The money can help you deal with the portion of your medical bills that are not covered by traditional health insurance, such as deductibles, coinsurance and copays. There are no pre-existing condition limitations to this plan. Employee, spouse and child coverage is available.
