

Allied Services is a non-profit health system providing a continuum of care for children and adults with disabilities, life-changing injuries, and chronic illnesses. These services include physical rehabilitation, skilled nursing, mental health care, hospice and palliative care, home care, vocational training and residential care for adults with disabilities.

For all the loved ones. Your support matters.

Tim accelerates his stroke recovery thanks to you

Tim H was a very active 50 year old when he suffered a stroke that left him unable to walk.

At Allied Services, he is seeing success in his recovery using the Indego Exoskeleton and Alter-G treadmill. By walking using these rehab devices in therapy he has regained his mobility and balance.

You fuel Tucker's drive and determination

Tucker S was a born with a rare disorder that affects his mobility. He receives therapy to preserve and maintain his muscle function.

He is 1 of the 600+ children who received therapy at Allied Services in 2021. In that time, our staff has provided 32,839 physical, speech, and occupational therapy sessions.

You help seniors experience the world outside their home

Thanks to your support, the Rendever virtual reality system is helping seniors. It can take nursing home residents outside the four walls of their home, down memory lane or on a new adventure.

Our staff now has new tools for combating social isolation in seniors in personal care homes.
