GLENMAURA NATIONAL
GOLF CLUB
MOOSIC, PENNSYLVANIA

DEAR FRIENDS AND SPONSORS,

Over the past 29 years, Allied Services has presented an annual golf tournament that has raised over 1 million dollars for the Jack & Joan Newman Endowment Fund benefiting Allied's Vocational Services Division.

The Vocational Services Division serves over 500 physically and mentally disabled individuals each year. Individuals with disabilities acquire specialized training and development of work related skills in a supervised and supportive environment. The sense of dignity, independence and satisfaction that they experience is often worth more than the skills they acquire. The work provided by the business partnerships with our subcontractors enables Allied Services to employ and train these special individuals in a genuine work environment.

The Vocational Services Division has expanded to include Burnley Employment & Rehab Services. Burnley has been providing the same high-quality vocational services in Monroe County, as Allied has in Lackawanna County, for over 60 years.

We encourage everyone to support the Vocational Services Division to assure continuation of these needed services. Please consider being a sponsor for this event, or as a golfer your entry fee will directly benefit this special program.

Thank you in advance for your support. We look forward to seeing you at the benefit golf tournament as we strive to raise \$50,000 this year.

Sincerely,

William P. Conaboy
President/Chief Executive Officer
